Adopted by the Las Vegas-Clark County Library District Board of Trustees on March 10, 1994. Revised and adopted October 10, 1996; April 14, 2011 and September 13, 2012. A rate increase for Technical Services, effective November 1, 2013, was approved by the Board of Trustees at their September 13, 2012 meeting with the support of local user groups. The increase will allow the District to reduce the amount it underwrites for providing technical services.
